She works at Sipgate. An experienced, pragmatic, agile project manager and consultant.

You should do this manually as well, and individually contact each of these people. You may want them to prepare beforehand, if the exercise would benefit from them spending time thinking about their responses. If the blogger starts engaging back with you, consider it a success. And the benefit to the influencers? Not only has availability increased, but programming is increasingly diverse. Sutherland is the investor and co-creator is Scrum. Do you want your ice breaker to be a quick five-minute activity, or something more substantial?
