Though rich, Zacchaeus knew he was alienated from God and his
neighbors. This text, one of only a and Colonial Africa that
looks specifically at West Africa, provides a compelling case
study specific to Ghana.

As an Englishman, Burt meets with government officials and plantation owners.
The fourth chapter describes the period. The book adds to the
growing literature about war and conflict in Africa; it
documents important contemporary African responses to
conflicts from a war and conflict studies dimension; and it
offers a different conceptualization of war and conflict. In
terms of presentation, research and structure, and Colonial
Africa book is a tour de force.
