See all. The astonished thrill that accompanies the natural sublime for Byron can only be found in moments when danger is a potential threat.

I strongly admire it's analytical skills in terms of literary contexts and plot. Inna marked it as to-read May 14, So we can find a lyrical point of view, because the poet is isolated, alone and it's getting dark: poet's feelings and emotions are expressed through the description of the place where he is.
