After the registration period ends, the Registrar will assign students to one of the four sections. Enrollment limited to 26 student. No longer is the only and greatest threat to security great powers tilting against one another but now the threat rests in dynamics within and across states by actors with global reach.

This course will address "science diplomacy" as an emerging interdisciplinary. On the donation of sperm and eggs to infertile couples, the Italian law is amongst the most restrictive in Europe. After providing some essential background, the course concentrates on the colonial and postcolonial encounter between Muslim and Western societies and politics with special, but not exclusive reference to the South Asian subcontinent. In Syria, Israel has so far been adept at striking Iranian targets without prompting a wider war.
