In spite of this, the expectations of both groups are remarkably similar and seem to reflect a far more widespread yearning for the right of inclusion in a global society. And through the creation of a whole library of Bylexian neologisms, he tries to impose a new linguistic order on the urban world in order to seize the city and imbue it with a new, more liveable meaning.

In the Bylexart, the square symbolises a certain equilibrium. Along dusty di In this story, success is the result not of luck or privilege, but our own personal qualities, talents and hard work. When I make something, the indirect emotion might change, the form might change. See details for additional description. It is one of the mystery islands of the Bahamas.
