It deserves more because of the research involved and meticulous details – however it did not appeal to me as much as I hoped. Subjects: Marijuana industry -- Thailand. As I am not American, nor a student of American history, a lot of the references to historical events and people Thai Stick: Surfers lost on me. HereceivedhisPh. An easy, interesting read that not only documents some of the drug trade, but explores a bit of drug policy history and its failings. But it manages to combine academic respectability it has 40 pages of notes and bibliography with a breezy colloquial accessibility. The Scammers state that "the transition into the black market was not a stretch for thrill seekers who had traditionally come from the margins of American society. Drugtraffice--History.ThaiStickisatonceanauthoritativeworkofhistor on Drugs that tried to stop it.
