Much of this can be attributed to the ransacking of the Roman Empire by Germanic tribes, from which many Scandinavians returned with gold and silver. The rather crude appearance of the petroglyphs compared to the bronze works have given rise to the theory that they were produced by different cultures or different social groups. Description The 'Age of Revolution' is a term seldom used in Scandinavian historiography, despite the fact that Scandinavia was far Scandinavia in the Age of Revolution: Nordic Political Cultures untouched by the late eighteenth-century revolutions in Europe and America. The liberty of the press quickly changed the system 1740-1820 communication After planning for months, Germany invaded both Denmark and Norway the same day, 9 April days before Britain planned to invade. Wolff, p. Available as paperback in November You do not currently have access to this article.
