I received a complimentary copy of this book in exchange for my honest review. The first is Gallagher's Pride; which dealt about Ethan Gallagher. I actually went back and read it again, just to stay with the Gallaghers a little longer. The bright moon overhead left nothing unnoticed. She declined and immediately Ethan takes on the unwanted duty of self-appointed protector to the headstrong Scot, only to discover there is such a thing as second chances and more to life than revenge. With her younger brother in tow, she accepts a position as the new schoolteacher in Briarwood, Montana.
