He died September 24, of esophageal cancer. A twenty-first-century theology based on the concept of one Light and many windows offers to its adherents both breadth and focus.

While those who are traditionally labeled by others as liberal should be read

Review quote "Church is a towering public intellectual and the leading universalist philosopher of his generation.

Universalism for the Twenty-first Century Savor every moment as it passes.

Liberal religion was present at the nation's founding. Meanwhile, the tumo since the whole is contained in each of its parts, as we ponder and act on insights derived from even a single reflection, we may experience self-illumination. Unless we put its implications into practice, Universalism is frivolous,

self-denying and moot.
