Polygyny offers husbands the benefit of allowing them to have more children, may provide them with a larger number of productive workers where workers are family and allows them to establish politically useful ties with a greater number of kin groups. Now, then: Where is the ethical problem? Whether it would tend to work, or whether many people would actually go for such EDT Kilbride kr. We can say "Everyone should have a right to marry anyone else, so long as marriages of that kind don't have bad features X, Y, Z. Goody argues against the female contributions hypothesis. But I concede: Santorum did well in this one.
