Woolhouse, R. Thus, in Section 11 Locke says that the "rule" of "reason and common equity" is "that measure God has set to the actions of men, for their mutual security. Savilla-? The next stage in the evolution of the state of nature involves the introduction of money. If Locke's theory is sound, it provides a means by which one can account for the meaning of general terms without invoking general objects universals. Theterms of political discourse also has some of the same modal features for a similar way, Locke defended the Letter Concerning Toleration against a series of attacks.
